Thank you. Thank you. Thank you. That I should boast Save him again Of Christ my God All the great things That shall be lost My sacrifice Went to his blood He promised head His hands, his feet Sorrow and love O meekled town He answers love

And sorrow beat Our thoughts come close So rich and proud Where thou, O hell Of nature mine

That were a offering Far too small But so amazing Sorrow divine Reveals my soul My life, my own

God As a child Our rich and bob

Father Peace And joy putting His hands, my soul And song If ■■■■ There's only one And the Cock From His**** To To Thisirst is Come now, be pouring down With reverence and fear In Him your sin is found We stand on holy ground Be still for the presence of the Lord The Holy One is here

[18 : 29] Be still for the power of the Lord Is moving in His place He comes to cleanse and heal To minister His grace No word too hard for Him Make faith receive from Him Be still for the power of the Lord Is moving in His place It seems appropriate for us to pray together after singing that hymn and those songs.

So let us pray together. Let us commit our time to God in prayer. It's an awesome thing, O Lord our God To be in Your presence It's an incredible privilege That we can draw near to You The Holy, Almighty, Awesome God And yet this is what we've been singing about Even before we've come to the official time of worship For we thank You that, O Lord our God You are not bound by time or space Or by any restrictions That we are bound by For You are the God who fills the universe and beyond You are the God who has no limits You are the God who is outside of time itself You see the end from the beginning And You accomplish Your purpose and plans In and through every season

Every year Every millennium We thank You that us being here this morning is no mistake No accident of chance For You, O Lord, are the God who has Your hand upon every life You are God, the one who has a purpose in every person You, O God, are the one Who desires and delights for men and women and boys and girls To know You To know You, their Creator But to know You

especially Their Saviour Their Rescuer Their Friend We thank You that as we've sung We've been reminded that For us to come into the presence of the Holy God Is only possible through the person And the work of Jesus Christ, Your Son None of us can come We confess that we are those who sin and break Your laws Your commandments We are those who live our lives in opposition to Your will We are those, O Lord, who have for years upon years

And even since knowing You Have failed, fallen, got it wrong And all these things are hindrances, barriers, blockades To us coming to You The God who is perfect and pure and good and lovely But we thank You that You have not left us in this place of darkness and death You've not left us in entrapment in our sin But You have come to us when we could never come to You You've come to us in Jesus The Son of God Who took on our human nature Who became one with us in every single way Apart from the fact He never sinned We thank You that in coming, Lord Jesus You had one mission in mind That You should purchase and buy for us Forgiveness for sins And at the cross, that's what You did Suffering in our place Taking upon Yourself the guilt

The punishment, the blame That is ours Our substitute In our place Condemned You stood Sealed our pardon With Your blood And only because, Jesus, You died And because You now are risen again from the dead And alive forevermore Applying to our lives That wonderful power of salvation That You purchased at the cross That You are here And that we can draw near to You here Oh, Lord, may each one of us this morning Know that we are in the presence of God And may our ears, oh, Lord Be attuned to Your voice That we may know that You have met with us Met with us perhaps the very first time Met for us perhaps for the severalth time The hundredth time The thousandth time But every time we meet with You, oh, Lord It's precious It's wonderful

[23 : 39] It's delightful It is indeed what causes our hearts to sing Your glory and praise Be with us in this time, we pray Grant us Your blessing, we ask For we bring our prayers In the name And the merit Of Jesus Christ Our Lord and King Amen Well, already I've completely blown the order of service Because I wasn't meant to pray until after our first hymn But we're not bound by these things together We do want to welcome you Particularly it's so good to welcome many of you Who've been here for the Whitby Gospel Music Convention Just pop your hand up if you've been here for that especially Okay, lovely, lovely And I'm sure you've already been greatly blessed And encouraged in that If you didn't know, yesterday afternoon Paul, and it's so good to have Paul with us And we rejoice with him In the Whitby Gospel Music Convention But Paul, yesterday afternoon

With a few hardy, brave supporters Threw an Olympic hammer A mile Not all in one go I just want to hasten to add that If he'd have really put some effort into it Perhaps he could have got close But throwing around about 20 to 25 metres at a time He threw the hammer In fact, over a mile He wanted to do a couple of extra throws Just to make sure he didn't cheat And it wasn't too short I think that deserves a clap Okay, we don't do this often But Paul, well done We don't often clap in this church But I think there's some things Which we really do applaud And that was a great effort And a great feat And for charity And if you haven't been able to give To the charity that Paul threw that hammer for Then please do so Very close to his heart It's lovely to welcome So those folk who are here Who are visiting And aren't here because Of the Whitby Gospel Music Convention Can you pop your hand up, please?

Oh great, lovely Welcome Welcome Folk from Middlesbrough There's some old faces And new as well And we do welcome you Particularly in the name Of the Lord Jesus Christ We're not usually like this On a Sunday morning Usually there's only About 80 of us So we're really thankful To the Lord To have these guests And visitors We're going to have In a few moments' time Some music from The North Nest Boys Is this the third year You've been here?

Fourth year You've been here? And every year The poor fellows They get dragged along here On a Sunday morning Made to sing for us We really do thank you Thank you so much For coming and sharing With us in worship All the way from Shetland And we'll be enjoying Their ministry and song As they help us And lead us later And of course Last but by far the least Is Roger Carswell Roger, it's so good to see you Welcome Good to see you Thank you Lovely to have Roger with us And Roger's been speaking At the convention And he's going to be Bringing God's word To us this morning And because he's such A very naughty boy He's here in Whitby For the whole week So he's not been sent To Coventry He's been sent to Whitby For the whole week And because we are holding A very special week Of events Paul has very kindly Let us as it were Rob or steal in one sense The Bible week To make it a week Of mission And so

Some of you will see On the front of the church That's over the next Five nights Monday to Friday We're holding a series Of events called Real Lives Please pray for that If you're here In Whitby Over the week Please come along And share with us As five different folk With different stories Of how Christ Has changed And affected their lives Will be sharing Their testimony Interviewed by Roger And then Roger Will be speaking And sharing the gospel And explaining the gospel Many many people Have been invited It's been publicised As well But please pray for that Especially And there's leaflets About that If you want to know Some more at the back Also if you are a visitor And you're actually From Whitby And this is perhaps The first time You've been to church Or whatever Then we've got Just some visitor cards At the back as well If you want More contact Or if you want to Find out a bit more About the church Or the Christian faith Then please do Fill one of those in And pop it Either at the back Or give it to somebody That you know Who's come to church With you Good

[28 : 08] Well why are we here Well we're here of course To worship Our glorious And wonderful God And I want to read From Psalm 111 Just listen to these words Before we come To sing Our next hymn Great are the works Of the Lord They are pondered By all who delight In them Glorious and majestic Are his deeds And his righteousness Endures forever He has caused his wonders To be remembered The Lord is gracious And compassionate The God we come to worship Is a God who Is not only great himself In his love In his mercy In his goodness In his holiness But he is great In the things that he does Not a God who stands back But a God who is involved A God who gets his hands dirty In the things of life And each of us

Who is a Christian this morning I'm sure could testify Could witness To the fact that God Has done great things For us But notice here That the psalmist David Particularly says His wonders His greatness Are in these things He is gracious And compassionate The greatest things God has done Not just the creation Of the universe Wonderful and beautiful And marvelous though it is Not just the provision Of our needs For food and clothing And health And all those things But the wonderful grace And compassion of God In sending to us Jesus Christ His savior Our savior The world's savior And I trust Your savior So we're going to stand And sing our first hymn On our sheets here Hymn one To God be the glory Great things he has done The greatest thing That God has done for us He loved the world And gave us his son Let us stand as we sing The first hymn Hymn one To God be the glory

Great things he hath done So loved he the world That he gave us his son To yield in his life An atonement for sin And opened the life That all may go in Praise the Lord Praise the Lord Let the earth hear his voice Praise the Lord Praise the Lord Let the people rejoice O come to the Father Through Jesus the Son And give him the glory Great things he hath done Through the reprehension The purchase of love

To every believer The promise of God The promise of God The highest of heaven Who truly believes The promise of God The promise of God The promise of God The promise of God The promise of God Praise the Lord Praise the Lord Let the earth hear his voice Praise the Lord Praise the Lord Praise the Lord Praise the Lord Let the people rejoice O come to the Father O come to the Father Through Jesus the Son And give him the glory Great things he hath done Great things he hath done Great things he hath taught us Great things he hath done

And praise the Lord And praise our rejoicing Through Jesus the Son The pure and higher And greater will be The wonder of the Lord When Jesus we see Praise the Lord Praise the Lord Let the earth hear his voice Praise the Lord Praise the Lord Let the people rejoice Let the people rejoice O come to the Father Through Jesus the Son And give him the glory Great things he hath done Praise the Lord May 86 Glory May 87 May 87
